

BELFOR Canada offers COVID-19 cleaning services

BELFOR is providing cleaning services for buildings and facilities exposed to COVID-19. We are on the front lines of this crisis.

Our cleaning services can help reduce the risk of infection or illness, cross-contamination, and downtime in operations.

We are taking this seriously as a company with a responsibility to protect our employees and our clients. If there is an outbreak or incident in your building or facility that would impact your operations, or if you would like to be proactive, please contact your local BELFOR office or call our 24-hour emergency hotline at 866-366-0493.

We are all in this together, and you can count on BELFOR!

Restoring more than property

BELFOR is the largest Canadian disaster recovery and property restoration company for residential and commercial properties. We offer more services and solutions for property damage caused by water, fire, storms or mold than any recovery company in Canada.

BELFOR Canada operates 38 company-owned full-service restoration offices in eight provinces, from the mountains of Western Canada to the Atlantic coastline. Our offices are located in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland, Nova Scotia, Ontario and Quebec.

From structural security and total reconstruction, to the recovery and restoration of documents and machinery, BELFOR Canada has the in-house specialists, capabilities and technologies to handle any type of property damage or disaster. Anytime - 24 hours a day - count on a company that delivers unmatched service.

Whether Mother Nature is the cause of your chaos, or maybe a man-made disaster, count on BELFOR Canada.
