EXECUTIVE SEARCH ▲ HR CONSULTING

Higher Talent is offering HR support for companies in our community who are impacted by COVID-19.

Fellow Noia members are invited to call or email if they have a specific HR question they would like to ask. The initial call/email is complimentary.

We have also introduced a free advice series titled "You Asked. We Answered."

Noia members are invited to complete our [1 minute survey](#). The aim is to identify topics important to business owners and to give leaders a space to submit questions to our HR professionals. Participation is confidential.

Our advice blog can be found at <http://highertalent.ca/higher-talent-blog/>.
