

During the COVID-19 pandemic, PF Collins remains committed to ensuring the safety of our staff, clients and community while continuing to provide the same level of high-quality service. We are fully operational with no disruption in service and continue to monitor the potential impacts of COVID-19 on the domestic and global supply chains for our clients.

We are proud to be working with our clients and TaskforceNL to arrange the shipment, customs clearance, and delivery of critical medical supplies and personal protective equipment from all over the world to Newfoundland and Labrador's frontline and essential workers.
