

Premiere Suites is Canada's largest and most trusted provider of fully furnished temporary residences.

During the COVID-19 crisis, Premiere Suites has been supporting our corporate clients by providing exceptionally clean, fully sanitized accommodations at discounted rates for companies now facing the added expense of self-isolating employees upon arrival in another province or for those who can no longer travel home during their time off.

Premiere Suites is also pleased to offer grocery pickup service to make sure that you have everything you need in your "home away from home."
