

## Noia Rising Star Award Criteria

---

Noia's Rising Star Award recognizes outstanding achievement by an impressive individual, 40 years old or under\*, who has made remarkable strides in their role within the Newfoundland and Labrador energy industry.

**Noia's Industry Achievement Awards Gala** will take place May 31, 2022, during Noia's Annual Conference and Exhibition.

Nominations will be evaluated based upon the following criteria:

**Personal Criteria:**

The nominee must be 40 years of age or under as of December 31<sup>st</sup>, 2020 and have worked within the energy industry in Newfoundland and Labrador for a minimum of two years. The nominee must be a Noia member or work for a Noia member company/organization.

\*As COVID-19 prevented Noia from awarding the Rising Star Award for 2020 & 2021, the age eligibility has been adjusted for the 2022 awarding.

**Professional Achievement:**

The nominee is a mid-career professional who has already made a significant contribution to their company and the Newfoundland and Labrador energy industry.

**Integrity:**

The nominee has set high professional standards for the industry in both ethics and quality of work.

**Results:**

The nominee has demonstrated impressive actions that will lead to future impactful contributions to the energy industry of Newfoundland and Labrador. Education and volunteer/community outreach activities will also be considered.

**Advocacy:**

The nominee has promoted, marketed and been a strong advocate for the energy industry in Newfoundland and Labrador.

**Industry Recognition:**

The nominee has been recently endorsed by a senior representative from the energy industry. This endorsement must accompany this nomination.

**Nominations must be seconded.**

**Please see the award nomination form for more detail on the rules for nominations.**
