AFFINITY PROGRAM

Weekly Feature

CANADIAN AV INC.

The AUDIO / VISUAL Experience

Based in St. John's and servicing all of Newfoundland and Labrador, Canadian AV provides services for large and small conferences, business meetings, trade shows, awards shows, media events, video conferences, web-casts, product launches and more. The preferred supplier of audio-visual services for the St. John's Convention Centre. Some of the offerings include projection systems, multi-input video wall projection, multi-camera video, video and audio recording, simultaneous interpretation systems, teleprompter systems, theatrical lighting, sound reinforcement, set design/construction and more.

We are offering Energy NL members an additional 10% discount off discounted rates for all rentals and special rates on all virtual events.

Please visit our website www.canadianavinc.com for more information or contact:
